It's Time to find Time for Yourself

Time is both our most precious possession and a thorn in our side. There's just never enough time!

We've got too many things to do. Too much else to think about. With all this thinking and doing and running around, all our time just slips away!

It's a closed circle, alright, but we'd like to offer you a way out.

Here at the AbanoRitz, we're big on "Me-time", and savoring a vacation's moments one by one to cherish for years to come. Dedicating loving care to your one and only body. Collecting new emotions as nourishment for your soul...

We'd be happy to help you.

Please be our guest.

The Poletto Family

A VACATION AT THE ABANORITZ: *the journey that starts in your body leads to your Soul*

Feel free to abandon yourself to pure relax! Consider your 5-star vacation at the AbanoRitz a personal place to rediscover your daily rhythms, take a deep breath, and enjoy all the comfort of attentive, careful service.

Living an intensive relaxation experience means doing time in our thermal water swimming pools. A constant 33°C water temperature all year round, natural mineral enrichment, and the various whirlpool jet positions in the Hydrorelax pool ensure moments of pure abandonment.

From the relaxation of the body to the emotions of the spirit, just take a look at the scenery. We offer discounted greens fees at the marvelous **golf courses** in the region, **Nordic Walking** and **Easy Bike** excursions in the Euganean Hills. We are consortium members in the **Strada del Vino dei Colli Euganei** Wine Road and have numerous wine-testing itineraries to recommend for a rich experience of flavor and aroma.

Guests who stay for at least 3 nights can choose between the **PadovaCard**, the free pass to the Museums in Padova City and Province with discounts in many stores or a free pass to the Venice **Civic Museums** (these offers cannot be combined).

Breakfast is served everyday in a special room until 11.00 a.m., but if you prefer intimacy and privacy, you can have breakfast in your room at no extra charge.

Our thermal water swimming pools with sauna and Turkish bath are open every day until 11.00 p.m. You can swim in the moonlight, and even beneath falling snowflakes because the water is so warm!

The AbanoRitz offers many little nooks and corners with relaxing, intimate ambience for your exclusive enjoyment and comfort.
